

The Parish of Thorpe St Andrew

Dear Friends,

We are able to confirm, now that the funeral arrangements for HRH The Duke of Edinburgh have been made public, that local parish churches across the nation are encouraged to hold a service commemorating the life of the Duke, with prayers for HM The Queen and all the Royal Family. We can confirm that this will take place as follows:

**Friday 16th April at 6.00pm at
Thorpe St Andrew Parish Church**

This will be a powerful display of prayer on the eve of the funeral - so do support this if you can. Further details will be available by email and Facebook as the date approaches. The service will be live streamed on Facebook.

Our two services on Sunday 11th April (9.30am Parish Eucharist and 6.30pm Evening Prayer) will also be streamed live as usual. You can access at:

With every blessing as we as a nation mourn for a good and faithful servant,

Fr James
